

JOIN US FOR THE ASCENSION STREET MARKET !

The inaugural Ascension Street Market will take place on **Saturday, September 16th from 8 am-4 pm**. Proceeds generated from the event will be donated to Ascent 121 to help raise awareness for the victims of human trafficking.

This is the perfect combination of food, entertainment and community garage sale, all rolled into one. Browse the many tables in the outdoor market, grab a bite to eat from one of our many food trucks on site and enjoy the festivities. You're sure to find a new treasure or two!

THE COMMUNITY IS INVITED TO TAKE PART IN ONE OR ALL OF THE FOLLOWING WAYS:

- Reserve a table to sell your items by completing the steps below:
 - > Space and tables can be reserved with a \$25 donation.
 - > A completed booth vendor contract form needs to be emailed to ascensionstreetmarket@gmail.com.
 - > Download a vendor contract [here](#)
- Once your contract is approved, you will be sent a link to complete the \$25.00 donation to Ascent 121.

The Street Market will take place in the parking lot located behind the Ascension Health Ministry Service Center at 4040 Vincennes Circle, Indianapolis

About us....

Ascension is the largest not-for-profit healthcare corporation in America, and the third-largest overall. We are located in 24 states and the District of Columbia, and have over 2500 venues of care, 141 of which are major hospitals. One locally you may be familiar with is St. Vincent here in Indianapolis. Our roots go back over 400 years to Europe, where St. Vincent DePaul and groups of Catholic sisters endeavored to find ways to care for the poor. Our chief core value is helping people who are on the margins of life. To that end, our bottom line is always how much we can give away. We typically donate at least 2 billion dollars per year to the poor, primarily in the form of free or reduced rate healthcare.

Ascent 121 provides trauma recovery services for Indiana teen survivors of trafficking
