Event Sponsorship Opportunity

Human trafficking is one of the largest and fastest growing criminal enterprises in the world. Ascent 121 provides long-term trauma recovery services for over a hundred Indiana teen survivors every year. We are seeking sponsorships for our **2021 Build Beyond Conference** which takes place on May 20 & 21.

What is Build Beyond?

- ▶ Two day conference to train service providers to care for trafficking victims.
- ▶ The only annual conference of this type in the Midwest. This training goes beyond the typical awareness event by providing clinical treatment models proven effective for this unique population.
- ▶ Attendees include behavioral health professionals from across the country, though primarily from Indiana.
- ▶ Licensed professionals earn Continuing Education credit.
- ▶ Attendance is about 150.
- ▶ Conference is hosted at East 91st Street Church in Indianapolis.

Why sponsor this event?

- ▶ It gives your business the opportunity to make a difference in combating one of the most significant social justice issues of our time.
- ▶ Sponsorship includes a Lunch & Learn event at your business to educate your team about the realities of human trafficking in Indiana.
- ▶ It makes critical training affordable for social service workers.
- ▶ Build Beyond is our primary fund-raiser for the year. Your sponsorship helps provide critical recovery care for teen survivors.

Who is Ascent 121?

- ▶ One of the few service providers in Indiana that specialize in trauma recovery for teen survivors. We serve over a hundred kids each year.
- ▶ A faith-based 501c3 with a staff of twenty.
- ▶ Accredited by the Indiana Behavioral Health and Human Services Board.
- ▶ 2017 recipient of the FBI Director's Community Leadership Award for outstanding service to the community.
- ▶ Accredited by ECFA since 2018.

Enclosed are further details about the Build Beyond conference and a sponsorship commitment form. **The deadline for sponsorship is March 1.** Thank you so much for your consideration!
